

Task 1

Timeline of Change

The 1950s were the best time to be alive. People innocent, kind to each other and generally happy. In other words, they were living the “American Dream”. Or were they?...

Your first task is to Investigate 10 events that occurred in the 1950s that was anything but ideal. Limit your research to 5 western events (America, Britain, Australia etc.) and 5 global events. We as a class will decide on the top 10 overall issues facing the world during this decade.

A prize will be awarded for the student(s) who find the most voted on issues.

Get stuck into it!
