Over the next two weeks you will investigate one of these major battles and/or events. You may wish to use your own notes from previous weeks or refer to the timeline generated in a class as a source of information.

Topics include:

Kokoda Track	Auschwitz	Blitzkrieg
Middle East	Hiroshima	Tank Battles
Battle of Britain / Luftwaffe	Singapore	Dam Busters

In your Investigation, you will need to generate an original guiding inquiry question and a minimum of two sub questions. To assist in gathering evidence, download the scanned worksheets on the Common Drive (file path etc....) titled *1) Overview and Events*. Look for relevant information to read and cover in your questioning.

Refer to the World War 2 Question Matrix sheet for guidance on how to write and refine these questions. In your questions, you will need to cover:
